### EXPERIENCE

**Learning Management System Project, 04/2025 - 07/2025**

**Fresher** – Bangalore

- Assisted with day-to-day operations, working efficiently and productively with all team members.
- Worked flexible hours across night, weekend, and holiday shifts.
- Demonstrated respect, friendliness, and willingness to help wherever needed.
- Resolved problems, improved operations, and provided exceptional service.
- Developed and maintained courteous and effective working relationships.

- Provided professional services and support in a dynamic work environment.
- Completed paperwork, recognizing discrepancies, and promptly addressing for resolution.
- Delivered services to customer locations within specific timeframes.
- Used critical thinking to break down problems, evaluate solutions, and make decisions.

**Course- Python Full Stack Developer, 02/2025 - 07/2025**

**Fresher** – Bengaluru, India

- Developed functional databases, applications and servers to support websites on back-end.
- Integrated third-party APIs to enhance functionality and improve overall user experience on web platforms.
- Reduced page load times by optimizing front-end assets such as JavaScript files, stylesheets, and images.
- Worked with back-end developers to design APIs.
- Discussed project progress with customers, collected feedback on different stages and directly addressed concerns.
- Enhanced user experience by developing and implementing a responsive front-end interface for web applications.
- Used NodeJS, ORM and SQL/No-SQL to develop and manage databases.
